David Petterville

Dear David,

You're really a great person,
and a terrific friend. I really
think the world needs more
people in this world like you.

Hope you have luck in the
Band. Well I was just kidding
about having all the front page
I'll save a little. Well good
luck and may God bless
you 4-ever and ever.

P.S.

Stay the way
you are. Don't
ever change

Your honest
friend.

Have always
Rellie

We the student body wish to dedicate this page to Terry Fries who died December 24, 1974 in an auto accident. Terry was a well-known athlete, taking part in Football and Baseball during his high school years at Petal High. He was a great sportsman as well as athlete. Happy recollections of the first grade to the twelfth grade will always be remembered by all his friends as well as the faculty of Petal High.

David,
It's been another year of bumpy roads and a wonderful friendship. I
hope we will be friends for ever and ever, keep up the snail mail and keep being
my extra pen to the country.

David,

Well, our second year in high school is almost over. We'll be big bad JUNIORS next year. It's been a great year having World History with you. Remember all the good times we've had in band. Remember the library! ^{HA!}_{HA!} Good luck in the future.

David,
I can't write very good but I will try to say just a few good things about you. We have been good friends for almost 8 years and band members about 4 years. We have really had a lot of fun going places with other people and doing really funny things. I hope you didn't mind me calling you Aeternose because I really didn't mean it. I had to get used to being called Franken Berry and all those funny names which mostly the Seniors and Juniors called me just to get me embarrassed. I hope I will always be so friend even though I call you about ever 5 minutes on the phone and aggravate you at school. I'm sorry about what happened to you and Candy. I was hoping ya'll could get something going. Well stay the way you are and you'll go far. Hope to be in a lot of your classes next year and the years to come.

David,

Well this year is almost over and we've nearly made it! Well we've been through everything, Band, Band camp, Geometry (Good Ole Geometry) well it was fun playing mad with you 'cause you took it seriously sometimes, but I never really was mad I'm just a big joke, most of the time!

You're a good friend to have and to be around. As you said I hope we'll have classes together in the next 2 years and maybe even in college!! If we ever, ever get out of High School.

I hope tomorrow (April 11.) is lucky for us at contest, we've worked hard and I think we'll make it I hope! Well I better quit so it won't take you all year to read this. But seriously you're a good friend and I hope you go far in the future. and Good Luck or your Trumpet. So long for now and don't let life get you down. May God Always Bless and keep you.

Love always,
Janet
